

# Alabama State DOE Scantron Solutions

Teachers and administrators throughout the state of Alabama can use Achievement Series and Performance Series to diagnose and assess student performance and Scantron Analytics to support data-driven instruction.

## Scantron Analytics

### State-Provided Solution

One administrative license with access to the following dashboards for district- and school-level data only:

- Alabama State Report Card
- At Risk Schools

### Available for District Purchase

Multiple licenses with access to the following dashboards for district-, school-, and student-level data:

Both dashboards from the state-provided solution, plus:

- At a Glance
- Student Watch List
- Early Warning System
- Graduation
- Enrollment
- Attendance
- Discipline
- Grades
- Performance Series Results
- College and Career Readiness
- District Assessments
- Achievement Series
- Student Profile

More than  
**500K**  
AL students took  
Performance Series  
tests this year

More than  
**150K**  
AL students took  
Achievement Series  
tests this year

## Performance Series and Achievement Series

### Access to Performance Series (PS) diagnostic assessments for the following available subjects:
