

Fast Error Sorting While You Scan

Select Stacker Plus™

Expand the rapid, reliable color scanning delivered by your iNSIGHT 700c. Sort forms with specified errors into a special bin for reprocessing without slowing your scan processes down.

Easy Connector Makes Setup a Snap

Simply align the connector port on the iNSIGHT 700c with the Flex Stacker.

Bin Capacity Supports Rapid Throughput

One 500-sheet bin and one optional 50-sheet bin (not shown) sort your output using requirements you specify.

Need extra form sizes or large-bin capacity?

Check out the Flex Stacker. Compare at www.scantron.com/stackercompare
