

Texas Says Yes to Scantron

Texas Education Agency Approves Scantron for Group-Administered Tests

Did you know...

- The Texas Education Code requires school districts to ensure that assessments are linked to norming that is no more than eight years old.
- **Performance Series** has been certified to meet this requirement and is on the list of approved Texas assessments.

EASY

Scantron Says Yes to Texas:

- YES** **Texas-specific versions** of Performance Series are on the approved vendor list (see <http://tea.texas.gov/student.assessment/grpadm-tests/>)
- YES** **3rd-Grade Readiness:** Math and Reading assessments start at Grade K, and items for Grades K-2 include professionally recorded audio
- YES** **Optimize Testing Time:** Long and short forms of Performance Series are available, so you can manage testing times to suit your needs.

Performance Series:

- YES** Is **computer-adaptive**, supporting students at their level of understanding
- YES** Contains **technology-enhanced items** and optional items to measure performance tasks at Webb's DOK Level 4
- YES** Connect assessment results to classroom instruction using links to **digital curriculum resources**
